

### **Test Taking - After the Test**

- When you get your test back look it over and make sure that there are no grading mistakes
- Look over the test and make sure that you understand your mistakes, if you don't know the answer to a question, either look it up, ask a classmate or ask the teacher.
- If the teacher reviews the test in class, be sure to take notes on what the teacher wanted for an answer on the questions/problems that you got wrong.
- If you aren't satisfied with your grade, go to your instructor and see if there's a make-up exam or any extra credit you can do.
- Save the test to study for future cumulative tests.
